This is a follow up to a previous request:
To Whom It May Concern:
I wanted to follow up on the following California Public Records Act request,
copied below, and originally submitted on Dec. 13, 2018. Please let me know when
I can expect to receive a response.
Thanks for your help, and let me know if further clarification is needed.

This information is easily available within the Agency's LEARN system. The
simplest way to extract this data is to generate an "Agency Data Sharing Report"
PDF file from within LEARN. To do this, a user may simply go to the "Sharing"
section of LEARN and select "Output Report." A CSV/XLS file containing these
records would also satisfy this request.

The instructions for extracting this data is described on pages 62-63 of the
LEARN Agency Manager Guide, which may be found at this link:

A number of other agencies have regularly determined the above information
constitutes a public record and have provided an "Agency Data Sharing Report."
These agencies include:

Anaheim Police Department, Antioch Police Department, Bakersfield Police
Department Chino Police Department, Clovis Police Department, Elk Grove Police
Department, Fontana Police Department, Fountain Valley Police Department,
Glendora Police Department, Hawthorne Police Department, Irvine Police
Department, Livermore Police Department, Lodi Police Department, Long Beach

Verdes Estates Police Department, Red Bluff Police Department, Sacramento Police
Department, San Bernardino Police Department, San Diego Police Department, San
Rafael Police Department, San Ramon Police Department, Simi Valley Police
Department, and the Tulare Police Department.

We further request the following records

The aggregate number of "detections" (i.e. license plate scans and associated
data) collected during 2016.

The aggregate number of detections collected during 2017.

The aggregate number of detections collected during 2018.

The aggregate number of "hits" (i.e. times that a plate on a hotlist was
detected) during 2016.

The aggregate number of "hits" during 2017.

The aggregate number of "hits" during 2018.

This information is easily available within the Agency's LEARN system. The
simplest way to extract this data is to generate a "Dashboard Hit Ratio Report"
PDF file from within LEARN. We would prefer the data for each year to be
provided separately.
